ABOUT US

AMC Pakistan established to provide solutions and services to different sectors at different levels.

It intends to operate virtually around the globe. We believe that our clients' success is our success; we believe in professionalism, we consistently maintain high standards for service and consultants to be always able to bring the best team of senior consultants to bear on every single task.

We meant understand our clients business needs, we comprehend their business specific language. We live the way they live. We help enterprises explore extraordinary opportunities, manage and sustain growth, and maximize revenue.

HOW WE DO OUR BUSINESS?

Our core business – Business Services and solutions Consultancy – intends to make a valuable contribution to society. We believe that for many people our advisory services will be, quite literally, life-saving.

We think our reputation with these people and the trust they place in our services will be critical to our business.

But our pride in what we will do does not mean we can ignore the critical need of a continuous development, enhancement and improvement of our services.

VISION

"Be the first choice in providing business consultancy services by exceeding our client's expectations in the region we serve."

MISSION

"AMC offers business consultancy and outsourcing services physically and virtually around the globe by using up to date, user friendly and affordable technologies that help our client and our people to excel."

CORE VALUES

AMC's culture has developed as a result of our shared belief in seven core values.

By upholding these values every day, AMC attracts and retains outstanding people, and has developed a reputation for delivering on the promises we make to our clients.

CLIENT COMMITMENT

First and foremost, we are committed to the success of our clients. By constantly seeking to drive value within their business, no matter the service we are providing, we will be successful within our business. This is the foundation on which everything else is built.

INTEGRITY

Integrity; a steadfast adherence to a strict moral or ethical code. At AMC Consulting, regardless of our function, we approach our responsibilities with utmost regard for truth, honesty and sincerity.

We believe in being candid with our clients, holding ourselves accountable for providing the highest quality, most reliable solutions possible for their business.

OPTIMISM

We set positive expectations of others and ourselves. We are continually planning and working for success, choosing to contribute rather than criticize, looking to the future with enthusiasm.

HUMILITY

We recognize that we are imperfect and always strive to improve. We grow by seeking first to understand others, listening openly to feedback and criticism and working for shared success, not selfish recognition.

PEOPLE

Within our organization, we believe that each person plays a key role to the success of our company. We value the diverse backgrounds, skill sets, experiences and contributions that each of us has to offer.

By respecting ourselves as well as each other, we are able to enjoy meaningful and rewarding careers.

TEAMWORK

By leveraging the deep as well as the broad experience levels of the individuals within our organization, we are able to build project teams unsurpassed in our industry.

We also recognize we do not always have the perfect set of talents to meet our client's requirements; therefore, we continually seek to partner with world class organizations with similar missions to ours but with a complimentary skill sets and abilities.

As we believe no one organization can be all things to all clients, teamwork is essential to the success of our client partners.

CORPORATE SOCIAL RESPONSIBILITY

With recognition that our company has a social, cultural, environmental and ethical responsibility to the communities in which we work and live.

AMC Consulting has planned several educational and training programs for newly graduates so that they can excel in their careers.
